PROFESSIONAL SUMMARY

Motivated Junior Frontend Developer with hands-on experience building modern, responsive web applications using React.js, Next.js, JavaScript, and Tailwind CSS. Passionate about developing clean user interfaces, reusable components, and optimized web performance. Currently improving skills toward full-stack development and modern web technologies.

KEY PROJECTS

Coaching Center Web Application FIRST CLIENT PROJECT

Next.js • Tailwind CSS | Live: coching-center-frontend.vercel.app

- Developed a full-featured, responsive frontend web application for a coaching center using **Next.js**.
- Implemented dynamic routing, clean UI layout, and optimized performance for smooth user navigation.
- Designed modern, mobile-friendly interfaces with Tailwind CSS tailored to client requirements.

Personal Portfolio Website

React.js • Tailwind CSS | Live: mdmahfuzulhaque3140.vercel.app

- Created a modern developer portfolio featuring a seamless Dark/Light theme toggle.
- Optimized SEO performance and successfully deployed the web application via Vercel.
